

DGS Employee of the Week: Sam Saxon

The Department of General Services (DGS) is pleased to feature Sam Saxon as DGS Employee of the Week. Sam has been an Air Conditioning and Refrigeration Mechanic with the Annapolis Capitol Complex for three years. Prior to joining DGS he worked in a similar position with the U.S. Naval Academy, retiring in 2003.

Sam's job involves keeping things on the chilly side, such as responding to issues with air conditioning units, ice machines and refrigeration and freezer issues. With this summer's extreme heat, Sam and his co-workers have been kept quite busy.

He enjoys that his position is extremely busy. “It makes the day go by fast.” he said. Sam also is thankful for his co-workers, noting that they are “good guys and I love working with them. Everybody pitches in when needed.”

Away from work, Sam enjoys spending time with his three children and three grand children. He and his wife of 38 years recently took the grandchildren to the Maryland State Fair. Sam and his wife also enjoy taking day or weekend trips to Ocean City, Williamsburg, Va., and Lancaster, Pa’s Amish County.

A native of Charleston, SC, Sam and his wife reside in Severna Park. .

The Maryland Department of General Services thanks Sam for all of his hard work and dedication toward making the Department successful in carrying on the tradition of ***Doing Great Service!***
